Chang, Ching-chieh	The Chinese in Latin America: a preliminary geographical survey with special reference to Cuba and Jamaica	PhD Thesis--University of Maryland 1956; Available at St. Augustine, AJL Reading Room ; 167p. 14 maps. bibliog. The approach of this study is systematic rather than regional and hence much of the information relating to the Chinese in Jamaica is incorporated with that of the rest of Latin America. It concerns the historical, demographic, economic and social aspects of Chinese immigration. The author is a Chinese scholar who spent about six weeks in Jamaica in 1953 conducting interviews and library research on the topic. (Available University Microfilms, Ann Arbor, Michigan).
